PUBLIC COMMENTS

Mr. Dennis Lennox, Chairman of Citizens Against New Taxes talked about the Cheboygan County Recycling Program. He is not against recycling but is against the \$25.00 annual surcharge to be placed on every household/dwelling in the county. He believes there should be an election so every registered voter can have a say on the matter.

County Commissioner, Linda Socha explained the process that the Recycling Committee did before they came to the Cheboygan County Commissioners for approval. Linda has talked to people and she had positive feedback on the subject. The county would like to have the program approved by the townships as soon as possible so it could be on the tax rolls for this year. If there was an election, it would mean another year before the recycling program could be started. Mr. Frank Zurawski said he for in favor of recycling but the people need to be educated first.
