## CORRESPONDENCE

NEMCOG is asking all townships to support a FEMA grant application made by NEMCOG for a 5 year update on the County Hazard Mitigation Plan. Commissioner, Linda Socha asked that the township not respond to the update plan as Cheboygan Co. has hired a Tri-County Emergency Management Coordinator to write their own grant.

## OLD BUSINESS

Spierling Trucking has finished the paving of the back entrance to the township hall. Wil Mandrick and his son, painted the necessary handicap striping on the driveway.

## NEW BUSINESS

1. Mr. & Mrs. George Quick of Munro Lake purchased a new American flag for the fire hall. They felt the old flag was getting rather tattered and sorry looking.
2. A resident asked about setting aside some money next year for the spraying of Gypsy Moths. Ed Ginop said the tent worms are not the same as Gypsy Moths. Don Tracey said that by next year the tent worms should be gone as they go in cycles.
3. Ginop reported that the emergency vehicles such as ambulance and fire trucks can not drive down some resident's drives because of trees. The fire department wants to notify some property owners that their drives should be clear of trees and brush for emergency vehicle to get to the site.

The Nows brothers reported that Silver Strand Road got gravel and red clay. Walter Nows will accompany Supervisor Antkoviak to the Cheboygan County Road Commission meeting on Thursday, September 16<sup>th</sup>.
