CITIZENS COMMENTS

Marie Watts feels that the assessor fee of \$150.00, which the township paid to the State of Michigan, should be paid by Supervisor/Assessor personally. Ginop reported that most townships pay the assessor fee except when the assessor is a contract assessor for more than one township/city.

CORRESPONDENCE

1. Letter received by Jerry and Lisa Atherholt asking the township to purchase road signs for Poplar Drive and a "no dumping" sign. Poplar Drive was dedicated in the plat map but never certified by the Cheboygan County Road Commission, therefore the township will not purchase road signs for a road that will not be developed in the future.
2. Received a letter from Steve and Karen Andrews and several property owners on Munro Lake Drive stating they want to go on record as opposing any development of a public road on property known as Poplar Drive.
3. Attorney, Tim MacArthur reviewed the Charter Communications Local Franchise Agreement with Munro Township, he said it was a standard agreement that the township should sign and return.
4. The Cheboygan County Road Commission gave an estimate of \$38,697.00 for graveling 3000 feet, 6' deep by 22 feet wide on Silver Strand Road.

OLD BUSINESS

Joe Lavender of the Equalization Department suggested that Munro Township purchase a new computer and a new software-assessing program that is compatible with Cheboygan County Equalization Department. Marie Watts stated that Antkoviak should purchase his own computer. Ginop said that the computer would be for assessing in Munro Township and would be the property of the township.
