1. PIE & G asked for Munro Township's approval to renew a natural gas franchise. Ginop said the legal wording is standard for all government contracts but Antkoviak was going to take it to Tim MacArthur for review.
2. The first Puddingstone Festival will be held in Cheboygan August 9, 2013 at the new Festival Square facility. Ginop explained that puddingstones are unique; they came from volcanic rock mixed with jasper stones when the glaciers carved out the Great Lakes and are found in this area of Michigan.

NEW BUSINESS

1. Dust control brine will be spread on the township roads shortly.
2. Antkoviak suggested that the township should purchase new chairs for the township board members. Every township has nice board member chairs except Munro. No action was taken.

OLD BUSINESS – None

CITIZENS COMMENTS

- Walter Nows asked that gravel be spread of Silver Strand Road. One area has a hole across the whole road. Ginop stated that gravel should be put down before the brine is spread. Antkoviak and Nows will look at the road and show the road crew where the gravel is needed.
- Wilfred Mandrick said the dumpster at the Douglas Lake Park needs to be delivered for trash. Ginop stated that she called J & N Disposal (Republic Services) to deliver the container when she confirmed the township clean up day. Antkoviak would go to the office and have a trash container delivered to the park. Mandrick also said tree limbs are laying on the road going into the park. Antkoviak will call the Cheboygan Road Commission about the limbs.

Don Tracey made the motion to adjourn at 8:25 p.m. supported by Dotski.
