CORRESPONDENCE

1. Ms. Ashley O'Reily has property on Douglas Lake Road. She asked about drainage from the public walkway going across her property. Supervisor Antkoviak said he'd meet with her later this spring and discuss her problem after the snow melts.
2. Tom O'Hare of Great Up North Marketing would like to meet with the board at a later date.

CITIZENS COMMENTS

Holly and Richard Gedert reported attending a stakeholder meeting with the DNR, discussing the Douglas Lake Boat Ramp. The DNR has given this high priority on the boat ramp project. The present site next to the Douglas Lake Bar does not fit their requirements for a boat launch facility. The U of M Biological Station said it was highly unlikely that they would give up their property for a public boat ramp. The State is currently looking at several properties on Douglas Lake for a boat launch ramp.

NEW BUSINESS

1. Antkoviak and Nows will attend the Cheboygan County Road Commission meeting for Townships on January 19th or 20th. The CCRC is asking the townships to support a road millage proposal on the ballot this year. This meeting will have townships input on purchasing road gravel and upcoming construction projects.
2. NEMCOG meeting was held at the Burt Township hall discussing extending the Rails to Trails project.
3. Antkoviak reported that Munro Township had 50 building permits for year 2013.
4. Ginop would like to discuss Township Board salary raises. The Board hasn't had a raise in salary in six years. Ginop is attending the Michigan Townships Association conference in Traverse City and will bring back info on salary raises.
5. Next month new fiscal year budget for 2014-2015 will begin.
