He addressed the board as to the shrubs in front of the firehall as they have grown out of control, the matter was deferred to the Trustees to get a bid to have them removed. Fire Socha again addressed his concern for the residents on the far end of MacArthur Road, there needs to be a 14' by 12' path for emergency vehicles to enter, at this time he is concerned for their safety but the residents seem unwilling to comply and remove any trees to accommodate his warning.
