A second letter scribed by John Kafer on behalf of several residents of Manitou Trail requesting Afton Stone on Heilman Road.

Old Business: Supervisor Antkoviak has been mowing the lawn and the cemetery and hall, the trustees from the Cheboygan County Jail are no longer available to help. Ryan Spies who attended the meeting offered to mow both the cemetery and hall for \$250.00 per mowing, he is self-insured and will provide the same before payment can be made. The mowing will be on as needed basis.

Supervisor Antkoviak advised the Board the pending maintenance issues for the township hall and firehall are being addressed: the landscaping at the firehall has been completed along with the ceiling repairs. The septic tank at the fire hall is broken and needs to be replaced, Supervisor Antkoviak is meeting with Kyle Keller to pull the original permits and go forward with a plan to fix the same.

The Road Construction Committee is meeting again and will update the Board as to their findings.

New Business: Sue Oakley addressed the Board in regards to MacArthur Road and Lancaster Lake Road, it appears that traffic is going through at a high rate of speed, making it difficult to exit several driveways. Upon her request and working with Brent Shank/ Engineer from the Cheboygan County Road Commission a "speed survey" was conducted although the results indicated that there should not be a decrease in the speed in that given area. Mr. Shank did

advise that it would be beneficial to install two "Hidden Driveway" signs. Upon this recommendation for the safety of the residents Clerk Bur made a Motion that the Township order and pay for the two signs, supported by Don Tracey. Motion carried unanimously.

Mary Bur,
